

Welcome to Cornerstone School Age Care

We are very excited to begin the new school year. Hopefully the Teachers are back to work soon. Below is essential information for families in our program.

- Cornerstone School Age Care Cell: 250-505-4148
- Email: lara@fbcnelson.ca
- The cell and email are the best and most direct ways to contact Lara or Stephanie. However, you may also leave messages with the office at 250-352-9910
- Fees are \$8 for before school care 7:30-8:30pm includes breakfast and drop off at Hume School. \$15 for after school care 2:30pm-5:15pm includes pick up at Hume School. \$23 for early dismissal days. \$41 for full days. There will be occasional additional charges for treat days, transportation or special events. If you have not paid the annual registration fee, it will be added to your first bill.
- Invoices are generally sent out the first week of the month. September 2014 invoice may be later since it may be affected by the Teacher's Strike.
- Stephanie and I will meet the children in the playground by the Kindergarten entrance at Hume School.
- Parents of children who attend other schools must arrange for drop off with our program. We will do our best to accommodate your needs.
- Children are required to check in with us immediately afterschool. We require notification by 2:00pm if your child will not be attending. There is a \$5.00 charge if we have to search for your child or call to find out where your child is. You may notify us by email, calling the cell or text.
- Last pick up is at 5:15pm there will be a \$5.00 charge for each late pick up.
- Two weeks written notice is required for changes in schedule or withdrawal from the program. You will be charged for days that we do not receive notice. Email is the best way to send notice. I need this information in advance so that we can ensure adequate staffing.
- We may not be able to accommodate extra days if I do not have enough notice or space. The program is very full this year and will not have the same flexibility as last year. Please register your children for all days you may require to ensure your space.
- Care for Pro-D days, Non-Instructional Days, Winter and Spring Breaks will be provided if we have enough children registered for a viable program. Registration two weeks prior to date will be required. We are closed all Stat Holidays.
- Please send with your children a pair of indoor shoes and an afterschool snack.
- Please ensure appropriate clothing for the weather. We play outside everyday in all weather conditions.
- Please read your newsletters
