PARENT SUPPORT JOBS – DESCRIPTIONS

There are a number of tasks to be done in this program to keep it running smoothly. Many of these tasks are simple and can be done at home about once a month or so. We find that if each family takes on a regular small task (or a larger job that might happen only once or twice per year) we can continue to provide quality care and education, as the staff can concentrate on programming and relationships with the children.

Please review these parent support jobs and sign up for one that you can do. Thank-you in advance for your time, you'll have helped to make Cornerstone a great place to be.

Parent Representative on the Childcare Board:
