INTENTION TO REGISTER CONTINUED....

If we are not able to accommodate your needs, we will place your child/ren on our wait list, or you will have first option to change to a different day our program.

Fees are subject to change. You will be notified before September if this occurs. Our pre-school program is closed for Christmas, Spring Break and Summer. Full day childcare is available during those times, *if* we have enough children registered. We need a minimum of 4 children per day to be open. All children participate in our pre-school program.

Once we receive your Intention to Register form *and* registration fee, we will place your child/ren on the list for that day. You will be notified as soon as possible if we are unable to accommodate your first preference. By *mid-June* you will receive a formal confirmation of your child's enrollment and information of the start-up of the September program. If we are full at the time of receiving your Intent-to-Register form, you will be advised that you have been put on our wait list.

Registration is from September to June. Separate registration forms for our summer program will be available in May.

Information on the Intent-to-Register and our full Registration forms are for internal use only.
