**INTENTION TO REGISTER CONTINUED....**

If we are not able to accommodate your needs, we will place your child/ren on our waiting list, or you will have first option to change to a different day, in our program.

Fees are subject to change: You will be notified before September if this occurs. Full day childcare is available during Pro D-Days if we have enough children registered. We need a minimum **of 4 children** to be open.

Once we received your intention to register form and registration fee, we will place your child/ren on the list for that day. You will be notified as soon as possible if we are unable to accommodate your first preference. By mid-June you will receive a formal confirmation of your child's enrollment and information of start-up of the September program. If we are full at the time of receiving your Intent-to-Register Form, you will be advised that you have been put in the waiting list.

Registration is from September to June. Separate registration forms for our summer program will be available in May.

*Information on the Intent-to-Register and our full Registration Forms are for internal use only.*
